SOUTH CAROLINA CODE OF LAWS SECTION 16-11-700

In 2018, the South Carolina General Assembly established Act 214, which amended Section 16-11-700 of the state litter laws. This action by the Legislature effectively provided magistrates and municipal courts greater flexibility in the prosecution of litter cases.

The amendment made it easier to achieve court-ordered community service/litter pick-up by removing the requirement for supervision. Act 214 also “makes the penalties fit the crime” by classifying violations into distinct categories and providing for a definition of litter.
